# Treatment of Wrinkles with Injectables

Dear Patient,

You have decided to have Botox or hyaluronan filler treatment to smooth facial wrinkles.

The treatment costs start at EUR 350,- according to the quantity of material we need.

Details of the treatment and costs will be discussed with you during the first consultation.

Please note the following details.

Should you have any questions, please do not hesitate to contact me at any time.

Univ.Doiz.Dr. Greta Nehrer

### BEFORE THE PROCEDURE

---

- Please come to your appointment without make-up if possible.
- You should not take any blood-thinning medications (e.g. aspirin) for several days before your appointment.

### DURING THE PROCEDURE

---

- The treatment takes only about 10 minutes to perform.
- You will experience only a mild burning sensation during the treatment.

### AFTER THE PROCEDURE

---

- Mild redness in the area around the injection site usually remains visible for just a few minutes.
- Minor bruising is rare, but could remain visible for several days after the treatment.
- You may use make-up immediately after the treatment and continue your facial care as usual.
- Avoid heat and pressure on the treated area for 24 hours (no saunas, no facial massage). Non-surgical cosmetic facial treatments may be performed directly after the treatment if desired.
- You may resume sports or physical activity after 12 hours.
- The results of the Botox treatment can usually be seen within 3-5 days after the procedure.
- If you are not satisfied with the results after 4 weeks, please contact us for a check-up and possible repeat treatment.
- The effects of Botox and fillers usually last for 4 - 12 months (most often 6 months). We recommend returning for repeat treatment.
